This evening was a time of reflection / discernment for the formation of our group: for those who have been with us for a while as well as for the new folks joining us. We spent time in prayer, reflection, affirmation, and fellowship as we shared with one another the call that we were hearing to integrate as a small faith community and to serve our parish. Not able to be present, but discerning as well their participation on the Parish Pastoral Council were Paul Aichele (vice chair), John Jurecko, and Gerry Salzman. Kathleen O'Connor felt called to continue discerning her call, as she is currently very engaged with the parish "Task Force / Growing an Engaged Church" process. All others, including those absent, have confirmed their desire and commitment to form the PPC for the 2009-2010 year.
