

## **Invitation to Learn About and Contribute to the Spiritual Life Commission of Our Parish**

### **What is the Spiritual Life Commission?**

The SLC is an action arm of the Parish Pastoral Council. We work together with the PPC to provide support to our ministries and parishioners. We also work closely with all the ministries that fall under Spiritual Life which include the Worship Committee, Rite of Initiation for the non-baptized or those from other faiths, Christ Renews His Parish, the Vocations Club, and the Legion of Mary.

### **What does the Spiritual Life Commission do?**

The SLC works together with the Pastoral Council to provide support to the ministries of the SLC in any tasks in which they are engaged. We also work together with the other four commissions (Education, Stewardship, Human Concerns, Parish Life) in a servant leadership role. We support the ongoing effort to bring faith formation topics to our parishioners and to help our parishioners grow spiritually in the Catholic faith.

### **How do I become part of the Spiritual Life Commission?**

If you feel strongly about the spiritual health of our parish, if you like to be involved in exciting and engaging projects, if you feel a strong pull to make a difference, and you have a sense of adventure and fun...then we would love to have you join the Commission!

### **How can I learn more about getting involved?**

You can learn more by calling Jennifer Kolber or by attending an upcoming meeting to see what important and fun work we are doing. We normally meet nine times a year. Our remaining meetings for this year are April 22, May 20, & June 10. Please contact Jennifer at 847-918-9028 or [Limmycat3@cs.com](mailto:Limmycat3@cs.com) with any other questions. We are looking forward to hearing from you soon!
