

give Central is the best way to support your cause

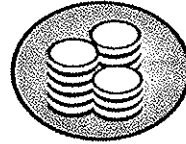

Make All Kinds of Gifts.

Make donations with your credit or debit card (Visa, Master Card, American Express, Discover) or electronic checking account (ACH). You can even save your different payment methods and use them each for different repeating donations.

Customize Your Giving.

You can make a one-time gift to your chosen cause, or set up an automatically repeating donation. You are able to go back and change your giving pattern at any time.

Keep Track of Your Donations.

In the interest of complete transparency, you can log in any time and see a complete report on your giving history. GiveCentral will also send you an email confirmation every time you make a donation or payment.

Know You're Secure

GiveCentral employs Secure Sockets Layer (SSL) encryption to protect your payment information. Your full credit card number will not be visible to any party once you have entered it into the site. Through this and other measures GiveCentral maintains PCI compliance, the industry standard for security in online payments.

Do you still have questions? We have answers!

Why should I use GiveCentral?

GiveCentral is a way for donors to give easily to nonprofit organizations. If your chosen charity or cause is on their website, it means that charity has signed up to use GiveCentral to receive your donations. GiveCentral is not only convenient for you; it is the lowest cost way for a nonprofit organization to collect credit card, debit card and electronic checking payments online.

What does it mean to register?

By registering with GiveCentral, you are creating an online profile that you can use to make more donations in the future. It takes only a few seconds longer than making a guest payment, and it means that your credit card or electronic checking account will be securely saved so you can access it later.

How do I know that you're a trusted site? What is your security?

By registering with GiveCentral, you are creating an online profile that you can use to make more donations. With GiveCentral's Secure Sockets Layer (SSL) encryption, you are able to add additional payment methods. You can give to several different "Events", and each with a different credit card, debit card or electronic checking account.

How do I get started?

This form is available in the parish office and on the parish website. Please fill out the form and return it in an envelope to St Joseph Church, 121 E. Maple Avenue Libertyville or go to the parish website www.stjoseph-libertyville.org and email form to Ann Harmon at AHarmon@stjoseph-libertyville.org
