

Instructions for Playing Lenten Bingo:

1. Families can print their game card from the PDF attachment.
2. Each board contains a list of different activities that we are called to work during the season of Lent: Prayer, Fasting and Alms Giving.
3. During the 40 days of Lent, keep track of which actions the family members do to show their love for Jesus during Lent? Did you pray for someone? Did you sacrifice dessert or a meal and fast? Did you help feed the hungry or do something kind for someone else?
4. Look over the game card and use pennies, beans, plastic chips, etc. to mark your card, just as you would when playing BINGO. When you have your card filled in a straight line, diagonally, etc., you win!
